

Press Release

Jared Beavers Named VP of Cathodic Protection and Corrosion Prevention Division

Austin, TX - Tanknology Inc. announced today that Jared Beavers has been promoted to Vice President of the company's Cathodic Protection and Corrosion Prevention Division. In this capacity, Beavers will be responsible for the operations of Tanknology's nationwide Cathodic Protection and Corrosion Prevention Group.

During his time at Tanknology, Beavers has served in multiple positions including several management positions, Gulf Coast Regional Manager, Senior Account Manager, Cathodic Protection Operations Manager and Cathodic Protection Division Manager.

A 21-year industry veteran, Beavers holds a NACE Cathodic Protection Technician certification and STI Cathodic Protection Testers Certification and participates in NACE chapter meetings. He holds a Bachelor of Business Administration in Management from Texas State University.

"I am extremely pleased to have Jared in this role," said Tanknology CEO Allen Porter. "He is a very talented and dedicated individual, whom I know will maintain the same drive and determination as he tackles the opportunity to grow our Cathodic Protection and Corrosion Prevention Division."

Based in the company's Austin, Texas headquarters, Beavers can be reached at (800) 964-0150 or via email at jbeavers@tanknology.com.

About Tanknology
